

REMARKS

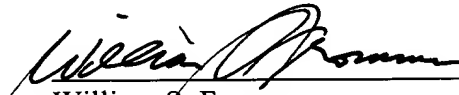

This is in further response to the Final Rejection of March 6, 2006 and is submitted to put this application in better form for appeal: namely, this amendment amends claim 3 to overcome the rejection thereof based upon 35 USC 112. In the amendment filed May 23, 2006, claim 3 inadvertently was not amended, even though the Remarks section of the amendment stated that claim 3 had been amended to conform to the Examiner's suggestion.

By the present amendment, it is believed the rejection of claim 3 under 35 USC 112 should be withdrawn. Entry of this amendment is respectfully solicited.

Filed concurrently with this amendment is Applicants' Notice of Appeal from the Final Rejection. With the entry of this amendment, the issue of the rejection of claim 3 under 35 USC 112 is rendered moot.

Please charge any fees that may be occasioned by this paper to our Deposit Account No. 50-0320.

Respectfully submitted,
